

COMPANY INFORMATION

Weber Emergency Services, LLC is owned and operated by Brandon Weber in Otsego, Michigan. Brandon has spent his entire adult life training and working in emergency services. He has worked as a Paramedic in Michigan since 1996, a firefighter since 1997, and a police officer since 1999 and has numerous technical specialties and qualifications and an instructional background.

Brandon holds a BA in Criminal Justice with a minor in Public Administration from Western Michigan University and is designated as a Professional Emergency Manager by the Michigan State Police, Emergency Management and Homeland Security Division.

Weber Emergency Services, LLC was established in 2006 to bring together under one umbrella a comprehensive, integrated, all-hazards training and consulting platform to train and advise responders and their agencies to better prepare for, and respond to their emergency and non-emergency situations.

Weber Emergency Services, LLC prides itself on being able to provide quality services at a reasonable cost, while speaking with authority and credibility from years of real world experience by its staff and contractors.
